Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Applicant states that the Cited Prior Art (CPA) does not teach endpoint to end point secure tunnels, but instead teaches gateway to gateway tunnels. Furthermore, the Applicant argues that the proposed amendments to claim 1 distinguish over the CPA because the amended claim states that the packet's security association is not changed, while the CPA does change the security association. The Examiner will await the response from the Applicant and consider the arguments
